

Fabric Art ROCKS! Newsletter

APRIL/ MAY 2012 EDITION

Welcome Spring

**NEW ADVENTURES
AND PROJECTS**

April 30th I will closing my vendor spot at Ellen's Eclectic Gifts on 7125 Vedder Road in Chilliwack. It will be too difficult to manage the number of sculptures I would need to have completed and keep my other commitment in to the markets. I wish her and the other vendors lots of luck and encourage you all to check out the store.

March 23 and 24th I helped Annet from Paverpol Canada man the booth at Creative Stiches at the Tradex in Abbotsford. We met many who were new to Paverpol and added 60 contacts to our newsletter list. I was able to fill my workshop that was held the next weekend and we had a great time. Check out the website for the pictures.

My Chilliwack/ lower mainland workshops are coming to an end with my last one April 28th which is full. Don't forget over summer I will be having my workshops in the **Shuswap/ Thompson Okanagan** so stay tuned. The first one I am hoping to have mid June and will be looking for venue to hold one. If you know of any places to rent/ borrow around the Vernon area let me know.

In May as some of you will be aware I will be off to visit my daughter in Ireland but you never know Paverpol may be in the picture as I hope to meet some Irish Paverpol artists I have met on line and facebook!

June 1-3rd 2012 I'm really excited to be attending Creative Chaos which is billed as the largest craft sale in Western Canada located in Vernon BC, in the sunny Okanagan. The Creative Chaos Craft Show has over 200 artisans and crafters in 3 buildings, a food faire with performing arts and creative activities! I've been busy building my inventory and have introduced some new pieces so again check them out on my webpage (for sale gallery).

July 14 and 15th I plan to be at the Harrison Arts Festival www.harrisonfestival.com I will confirm in next news letter.

Starting in June: I hope to be back at the Shuswap Farmers Market, I had so much fun there, but will probably not be there as many times as I was last year due to my late start. Stay tuned for the June Newsletter and I will post the dates I will be there.

STAY TUNED FOR PAVERPOL WORKSHOPS DATES

Don't forget if you have a group of at least 6 people my workshop travels easy, all I need is water source, good lighting and plug ins for the blow driers.

DON'T FORGET TO CHECK OUT MY WEBSITE FOR LOTS OF IDEAS OF WHAT YOU CAN MAKE WITH PAVERPOL!
